

CORRIGENDUM

PINK1 mediates spinal cord mitophagy in neuropathic pain [Corrigendum]

Yi MH, Shin J, Shin N, et al. *J Pain Res.* 2019;12:1685–1699.

On page 1695, both Min-Hee Yi and Juhee Shin are co-first authors for this study.

The updated Acknowledgments section should read as follows:

We thank all members of the Kim Lab for critical discussions of the manuscript and especially Dr Sang Ryong

Kim for help with discussion of mitophagy function. This research was supported by the Brain Research Program through the National Research Foundation of Korea (NRF) funded by the Ministry of Science, ICT & Future Planning (NRF-2016M3C7A1905074), and by the Korea government (MSIP)(2016R1A2B4009409). Min-Hee Yi and Juhee Shin are co-first authors for this study.

Publish your work in this journal

The Journal of Pain Research is an international, peer reviewed, open access, online journal that welcomes laboratory and clinical findings in the fields of pain research and the prevention and management of pain. Original research, reviews, symposium reports, hypothesis formation and commentaries are all considered for publication. The manuscript

management system is completely online and includes a very quick and fair peer-review system, which is all easy to use. Visit <http://www.dovepress.com/testimonials.php> to read real quotes from published authors.

Submit your manuscript here: <https://www.dovepress.com/journal-of-pain-research-journal>
