

Clinical Validation of Immunoglobulin A Nephropathy Diagnosis in Swedish Biopsy Registers [Corrigendum]

Jarrick S, Lundberg S, Welander A, Fored CM, Ludvigsson JF. *Clin Epidemiol.* 2017;9:67–73.

The authors have advised that the Compliance with ethical standards section on page 69 is incorrect. The text “The current study was approved by the Stockholm Ethics Review Board (Jan 22, 2014; approval number: 2013/2095-31/2)” should read “The current study was approved by the Stockholm Ethics Review Board (March 31, 2010; approval number: 2010/407-31/1)”.

The authors apologize for this error.

Publish your work in this journal

Clinical Epidemiology is an international, peer-reviewed, open access, online journal focusing on disease and drug epidemiology, identification of risk factors and screening procedures to develop optimal preventative initiatives and programs. Specific topics include: diagnosis, prognosis, treatment, screening, prevention, risk factor modification, systematic reviews, risk & safety of medical interventions, epidemiology & biostatistical methods, and evaluation of guidelines, translational medicine, health policies & economic evaluations. The manuscript management system is completely online and includes a very quick and fair peer-review system, which is all easy to use.
