The Editor-in-chief and Publisher of *HIV/AIDS – Research and Palliative Care* wish to retract the published article. Following publication, the journal was notified that the data for this article was taken from a study funded by USAID and sponsored by the KNCV/Aurum Institute as part of a multi-country clinical trial conducted in South Africa, Mozambique and Ethiopia. The data presented in the article was used by the authors without authorization from the data owners. It also came to the journal’s attention that aside from the first author, none of the remaining

The authors wish to apologise for this and agree with the decision to retract the article.

Our decision-making was informed by our policy on publishing ethics and integrity and the COPE guidelines on retraction.

The retracted article will remain online to maintain the scholarly record, but it will be digitally watermarked on each page as “Retracted”.
