

Physical, Functional, Psychological, and Social Effects of a Physical Activity Program in Adults and Older Adults During and/or After Hospitalization for COVID-19: A Systematic Review [Corrigendum]

Rosero ID, Barreto J, Cardona C, Ordoñez-Mora LT. *Risk Manag Healthc Policy*. 2022;15:2399–2412.

The authors have advised there is an error in the author list on page 2399.

The author name “Carlos Cardona” should read “Carlos Basto-Cardona”.

The authors apologize for this error.

Publish your work in this journal

Risk Management and Healthcare Policy is an international, peer-reviewed, open access journal focusing on all aspects of public health, policy, and preventative measures to promote good health and improve morbidity and mortality in the population. The journal welcomes submitted papers covering original research, basic science, clinical & epidemiological studies, reviews and evaluations, guidelines, expert opinion and commentary, case reports and extended reports. The manuscript management system is completely online and includes a very quick and fair peer-review system, which is all easy to use. Visit <http://www.dovepress.com/testimonials.php> to read real quotes from published authors.
