

LINC00565 Enhances Proliferative Ability in Endometrial Carcinoma by Downregulating KLF9 [Retraction]

Yin X, Li X, Feng G, Qu Y, Wang H. *Onco Targets Ther.* 2020;13:6181-6189.

At the authors request, the Editor and Publisher of *OncoTargets and Therapy* are retracting the published article. The authors informed the journal that they were unable to verify the reported findings and requested to retract the article. The Editor agreed with the author's request.

We have been informed in our decision-making by our policy on publishing ethics and integrity and the COPE guidelines.

The retracted article will remain online to maintain the scholarly record, but it will be digitally watermarked on each page as "Retracted".

Publish your work in this journal

OncoTargets and Therapy is an international, peer-reviewed, open access journal focusing on the pathological basis of all cancers, potential targets for therapy and treatment protocols employed to improve the management of cancer patients. The journal also focuses on the impact of management programs and new therapeutic agents and protocols on patient perspectives such as quality of life, adherence and satisfaction. The manuscript management system is completely online and includes a very quick and fair peer-review system, which is all easy to use. Visit <http://www.dovepress.com/testimonials.php> to read real quotes from published authors.
