

Hyperkalemia and the Use of New Potassium Binders a Single Center Experience from Vestfold Norway (The PotBind Study) [Corrigendum]

Bjune T, Bøe TB, Kjellevoid SA, Heldal K, Abedini S. *Int J Nephrol Renovasc Dis.* 2023;16:73–82

The authors have advised that there is an error that runs through the entire paper. Calcium zirconium cyclosilicate is written incorrectly, where it should have been written sodium zirconium cyclosilicate.

The authors apologize for this error.

Publish your work in this journal

The International Journal of Nephrology and Renovascular Disease is an international, peer-reviewed open-access journal focusing on the pathophysiology of the kidney and vascular supply. Epidemiology, screening, diagnosis, and treatment interventions are covered as well as basic science, biochemical and immunological studies. The manuscript management system is completely online and includes a very quick and fair peer-review system, which is all easy to use. Visit <http://www.dovepress.com/testimonials.php> to read real quotes from published authors.
